Swimming Pool Information Sheet

Contractors and Permitting

Contractors Registration:

- Every pool contractor will need to be registered with the Community Development Department.
- If the electrical work is done by a contractor working under the pool company, a separate contractor registration form will be needed for electrician but only one fee will be charged to the pool company.
- Same applies for plumbing work, if gas is used for pool equipment.
- Contractors will still have to supply License and CIB card for electrical and plumbing work.
- Electrical or Plumbing not done by pool company will require contractors to be individually registered.
- ALL POOLS REQUIRE FENCING PER CITY CODE

Permits Required:

- Pool Permit
- Electrical Permit
- Plumbing Permit (if gas)

Inspections

Pool Permit:

- Excavation/Placement - Done at time of first Electrical Inspection

Electrical Permit:

- Shell Bonding – 4 points around the pool
- Deck Bonding
- Fiberglass/vinyl require a water bond
- Inspection will include any raceways and bond wire to pool equipment.

Plumbing Permit: For gas only

- Rough – Pressure test
- Final
